# Yellow Pages

## CLASSIFIED DIRECTORY

The Berry Company ("Berry") publishes directories on behalf of CenturyTel. Those directories include classified, or "Yellow Pages", sections. The Yellow Pages contain the listings of area telephone subscribers, classified under one or more directory headings for the purpose of identifying the nature of their business or profession. Berry and CenturyTel assume no responsibility for errors or omissions with regard to any free listings, or with regard to Yellow Pages listings. Such errors or omissions of free items may be corrected in a subsequent issue if reported by letter to Berry. Liability for errors or omissions in paid-for listings and advertising, which includes Yellow Pages listings, is limited to, and shall not exceed, an abatement of the charges for such listings or advertising during the life of the directory.

Certain businesses or professions are subject to regulation by various governmental bodies or regulatory agencies, which require special approvals or the issuing of a license to do business. The regulation of those businesses and professions may also govern the manner and content of the advertising in the directory. # "After Your Injury From Any Kind of Accident, Your Compensation Shouldn't Be The Hardest Part To Deal With"

*Callis L. Childs*

If you've been injured in an accident that wasn't your fault, I know you're concerned about getting your medical bills paid...about whether your injuries will be fairly compensated...about not hearing from anyone...and about being compensated for your injuries.

My name is Callis Childs. And I'm a personal injury attorney who has helped recover millions of dollars for clients just like you as fair and just compensation for injuries they've suffered because of someone else's negligence.

Without hassles and frustrations on your part. Because we deal with all the issues for you.

First, let me tell you the . . .

### 3 Mistakes You Should Never Make

**1) The most common health mistake you could regret for years:** not getting treated for your injuries. Without treatment you're going to be laid up longer than you need to be. And it makes any claim you file look fake if you wait.

**2) Trying to take care of the injury claim yourself.** The problem with your doing this yourself is that you do not know what to do to protect yourself. I can virtually promise you, if you try to handle it yourself, you will be taken advantage of.

**3) Not getting fully compensated for your injuries.** An attorney experienced in personal injury cases can get you more compensation in your pocket than you can get by yourself.

### We Tell Secrets: Straight Answers To Your Legal Questions

There's a lot more I could discuss with you and would like to discuss with you, but that should really be done face-to-face. So I'd like to do something special for you . . . **absolutely free of charge and without further obligation.**

At your evaluation you'll learn:

- ✓ **What precise steps we take--and when--to get you fairly compensated for your injuries;**
- ✓ How we get your medical bills paid for your injuries;
- ✓ **How we get your injuries fairly compensated;**
- ✓ How we'll handle the entire process for you, so you don't have to go through the stress;
- ✓ **Why you should start your case as soon as possible.**

For even more information, see my web-site at **www.arkansas-injury-lawyer.com.**

Plus, you might like to know that I only get a fee if I successfully get you a settlement.

**So call me today at 501-327-1700 or 1-800-909-4530 and let me and my professional team lend you a hand, too, to recover the compensation you are fully entitled to for your injuries.**
